

You may couple this units in several ways. In this diagrams a rectangle of 1:3 is used to create a garland.  
 Other constellations are possible too, as shown in the diagrams at the end.

5

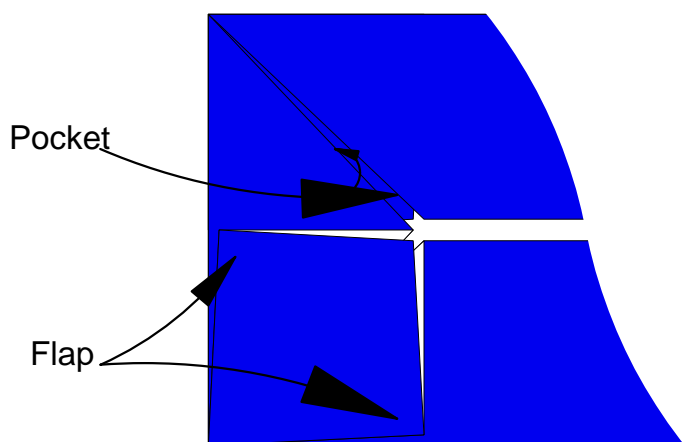

6

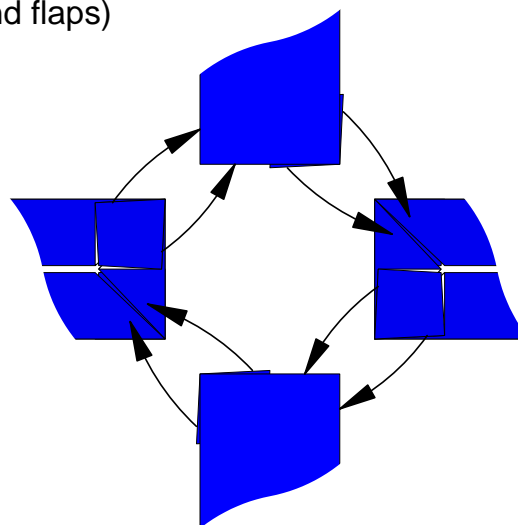

7 Normal unit

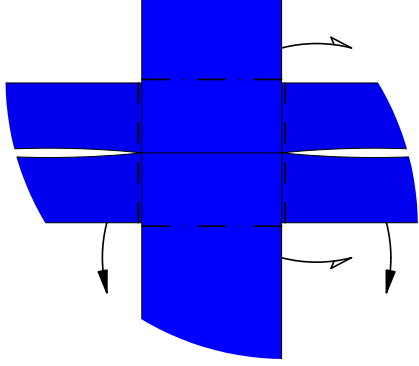

8 Stop unit (mind flaps)

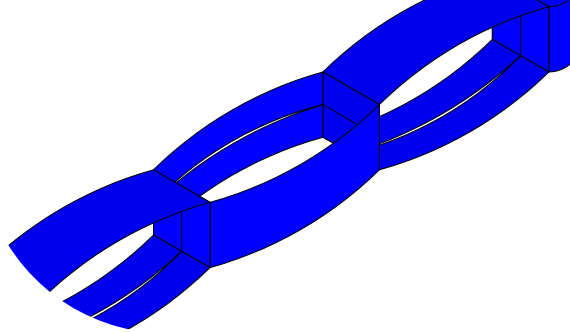

9 Put flaps in pockets of other unit to couple two units.

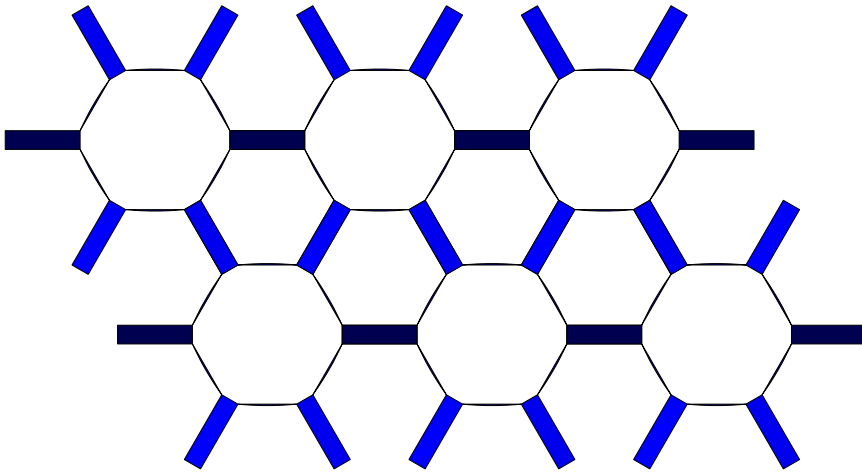

10 Couple 4 units like this

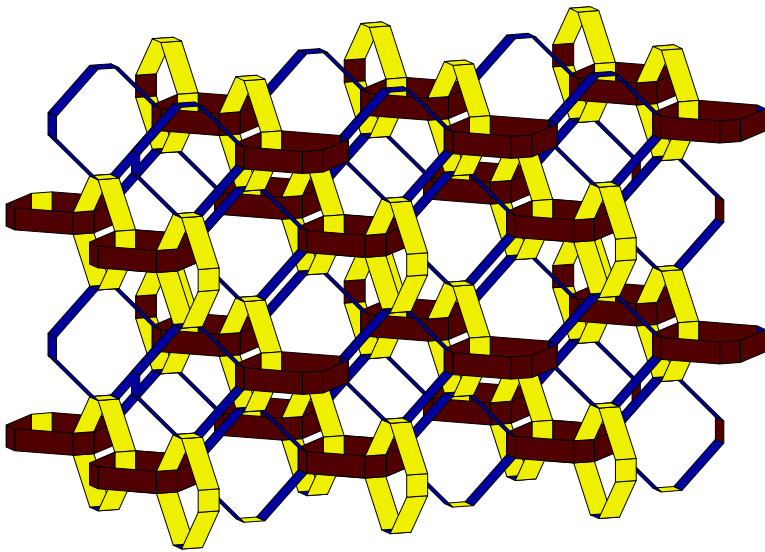

11 Bend units as shown to lock firmly

12 Couple units to this two by two to make a garland. Use stop unit at the ends.

13 This network consists of two kinds of rings: 6 unit rings and 2 unit rings.

14 Crystal of 4 unit rings in three dimensions
