

Hello friends, my name is Fernando Gilgado and I want to present you my new Origami book.

With NAVIDAD DE PAPIROFLEXIA you can to create a beautiful origami Christmas with the art of the " origami ".

It contains 12 figures made with a single paper square, without cutting, without glue and without painting. You will be able to create an entire Christmas landscape, including a portal of Nativity and an amusing Papá Noel. Everything published by the Editorial H. Blume.

If you want to obtain this nice book, you can make it in several ways:

In specialized bookstores asking for:
